Experience Excellence Across Our Campuses **Our Unique Learning Environments**

Our seven fully developed campuses are vibrant centers of learning, each offering a unique, enriching experience. With modern infrastructure, grand buildings, and comprehensive facilities, they serve as dynamic hubs of academic excellence. These campuses include NEET Long Term (Boys and Girls), Boys Campus (Inter), and Girls Campus (Inter). We take pride in being among the first institutions in both Telugu states to achieve 100% digitization.

From the start, Sri Gosalites embraced technology, integrating smart boards in every classroom for uninterrupted learning. Our holistic approach ensures personalized attention in a nurturing environment, blending motherly love and fatherly responsibility, making education a truly transformative journey.

**Dear Parents and Students,
Warm Greetings to All,**

At Sri Gosalites Medical Academy, our teaching team brings over 20 years of rich experience across various prestigious institutions. Together, this team has nurtured over 5,000 doctors across the Telugu states, even before our academy's inception. Our commitment goes far beyond mere education - we stand united, tirelessly working to shape the future of medicos. Since our foundation in 2021, we take pride in the remarkable achievement of securing nearly 4,500 medical seats in just four batches.

Driven by our vision to make high-quality education accessible, especially to students from rural areas, we established Sri Gosalites with the mission to create a nurturing environment where dreams come to life.

The trust and happiness of our students is our greatest proof of success, and we remain deeply inspired by their faith in us.

To our students: You are the heart of this institute, the reason for our existence, and the future of medicos.

అమ్మలాంటి ప్రేమ..

With warm regards,
V. Narendra Babu, Smt. V. Usha & The Gosalites Family

At Sri Gosalites, we believe that student success is intrinsically linked to the expertise and dedication of their teachers. We take immense pride in our exceptional faculty, composed of some of the finest educators in India. This dynamic team, with nearly two decades of collective experience in medical entrance coaching, is the driving force behind our students' accomplishments, guiding them toward academic excellence and promising careers. Our faculty, also serving as academic directors, has empowered thousands of students to achieve top NEET rankings. They engage with students, address their doubts, and provide unwavering motivation, alleviating fears and fostering confidence. Our impressive results and achievements are a testament to their commitment and passion for student success.

Flexible, Research Based Learning for Every Pace

At Sri Gosalites, we recognize that students learn at different speeds, some grasp concepts quickly, while others may need more time. Our holistic teaching approach ensures personalized attention for each student, with classes organized according to their learning pace. Our experienced faculty provides consistent coaching tailored to individual understanding, a hallmark of our academy. We aspire to see every student at Sri Gosalites secure a medical seat, as this achievement reflects our commitment to their success and growth.

Crystal Clear Concepts Making Subjects Easy & Simple

At Sri Gosalites, we prioritize conceptual understanding over mugging and simple memorization. We believe that students who genuinely grasp their subjects achieve higher ranks in exams, alleviating fears and exam anxiety. This comprehensive understanding empowers them to tackle questions with confidence and mindfulness. Embracing technological advancements, we proudly stand as one of the best 100% digitized educational institution in both Telugu states. Our classrooms are equipped with projectors, and our skilled faculty has seamlessly integrated smart boards into teaching from day one, enhancing the learning experience for every student.

We also prioritize cultivating a positive mindset, helping students manage the stress of national competitive exams. By creating a supportive, pleasant and inspiring atmosphere, we aim to enhance our students' overall well-being throughout their academic journey.

➤ Equipped for Brilliance - **High-Tech Lab Facilities**

Sri Gosalites Medical Academy boasts a high tech laboratory designed for experiential learning in Physics, Chemistry, and Biology. An outstanding aspect of our program is that we offer practical experiments starting from the very first year, allowing students to deepen their comprehension and mastery of each subject through hands-on experience.

Home Away from Home **Safe & Comfortable Hostels**

A safe and secure living environment is essential for parents choosing to educate their children away from home. With this in mind, Sri Gosalites offers outstanding hostel facilities for both boys and girls. Our hostels feature CCTV surveillance, laundry services, and nutritious meals, ensuring a comfortable stay. We provide separate accommodations, creating a cozy and homely atmosphere. Each hostel is supervised by a dedicated warden who prioritizes student well-being and amenities. Rooms are spacious, well-ventilated, and tastefully furnished. Additionally, a specialized medical care unit on campus ensures the health and safety of all students.
